(2) The purpose of this chapter is to establish an emergency waiver program to grant local education agencies and private schools flexibility so that students in the graduating class of 2020 or earlier who were on track to graduate before the gubernatorial declaration of emergency of February 29, 2020, the proclamation of statewide school closures on March 13, 2020, and any subsequent amendments to these proclamations, are not negatively impacted by measures taken by the local education agency or private school in response to the novel coronavirus (COVID-19).

(3) This chapter expires July 31, 2020.

180-111-020 Definitions.

The definitions in this section apply throughout this chapter.

(1) "Local education agency" means a school district, charter school established under chapter 28A.710 RCW, or tribal compact school operated according to the terms of state-tribal education compacts authorized under chapter 28A.715 RCW. References within this chapter to local education agency shall also apply to community and technical college colleges per WAC 180-51-015.

(2) "On track to graduate" means the student's earned credits and current or planned enrollment as of the gubernatorial declaration of emergency of February 29, 2020 would have been sufficient for the student to meet the applicable state minimum graduation requirements (as defined in WAC 180-51-056, 180-51-067, and 180-51-068) by the scheduled end of the 2019-2020 school year, as determined by the student's local education agency or private school.

(3) "Good faith effort" means the local education agency or private school considered and implemented options, determined appropriate by the local education agency or private school, to support individual seniors in meeting credit requirements. Options for helping students meet the credit requirements or waive credit requirements include but are not limited to:

(a) Recommendations provided by the office of the superintendent of public instruction in its published guidance on supporting seniors during long-term school closures, as outlined in Bulletin Number 022-20 issued on March 20, 2020 and Bulletin Number 024-20 issued on March 23, 2020, and any related subsequent bulletins

(b) Awarding or waiving of credits through existing authority of local education agencies:

(i) Local education agencies who have implemented state credit requirements under WAC 180-51-068 have the authority to award a two-credit waiver of flexible credits for individual student circumstances.

(ii) Students may be excused from physical education, provided they demonstrate competency/mastery in the knowledge portion of the required 1.5 credits, as articulated in WAC 180-51-056 ((1)(e)), 180-51-067 (6), and 180-51-068 (6).

(iii) Per WAC 180-51-056 ((1)(c)(ii)), 180-51-067 ((4)(b)(i-ii)), and 180-51-068 ((4)(b)(i-ii)), the non-credit requirement of Washington state history can be waived for students who either have completed a state history course in another state, or for 11th or 12th grade students who have not completed the course because of previous residence in another state.

(iv) Competency/mastery credit for courses: Local education agencies may use their existing authority for awarding credits to students based on demonstrated proficiency of the state's learning standards. Local education agencies may create opportunities for competency/mastery credit for courses a student was enrolled in during the COVID-19 outbreak.

(v) Local education agencies may waive local graduation requirements at their own discretion without approval of the state board of education.

180-111-030 Application and approval process.
